

IT'S WYCOMBE WONDERS ALL THE WAY

Wycombe 5 Kettering 0

A M A T E U R S WYCOMBE shattered the professionals of Kettering with five brilliant goals in a sensational first-half scoring spree to provide a major F.A. Cup upset.

Wycombe's fast-moving forwards were in sparkling form and tied the Southern League side's defence in knots from the start.

After Delaney had converted a penalty for a handling offence by Gammon in the 20th minute, Wycombe stayed almost continuously in the Kettering goal area as the professionals floundered.

Horseman beat three defenders to add the second goal in the 27th minute, Delaney headed the third from a free-kick by Bremer three minutes later, and Horseman electrified the crowd of 6,000 with a spectacular fourth goal.

Five minutes before the interval Sarle forged in from the left wing to complete the scoring.

Only once had demoralised Kettering managed a worthwhile shot at goal—when left-winger Lawman unleashed a drive which O'Brien dived full-length to save.

After the thrills of the first half the second provided an anticlimax. But although they claimed more of the play as Wycombe relaxed Kettering rarely looked like breaking the sound home defence in which England amateur internationals Delaney and Powell were outstanding.
